## FEATURES

**Central Gathering Area** – Primary, central gathering place and space for performances.

**Environment** – Wetlands provide on-site educational opportunities.

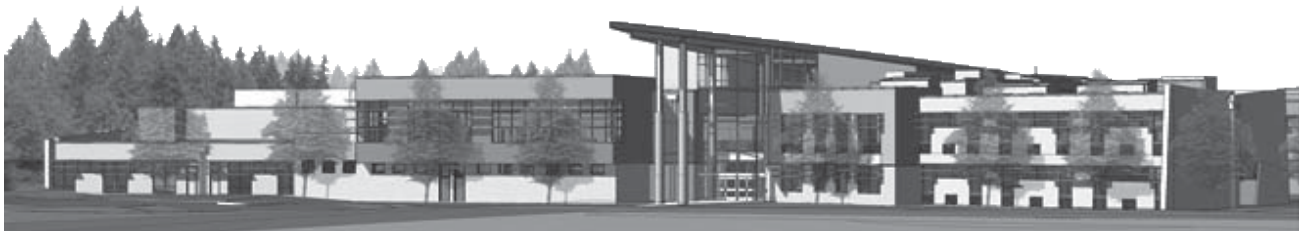

**Classrooms** – Grouped into learning communities for flexible instructional opportunities.

**Energy Efficiency** – Natural lighting, ventilation, and heating and cooling design plan received recognition from Snohomish County PUD and OSPI.

**Building** – Two-story, fully accessible school building is approximately 214,000 square feet and is designed to accommodate 1,600 students and 100 staff.

**Arts and Drama** – A 350-seat performance-oriented theater with thrust stage and 35-seat orchestra pit will be the focal point of the schools' music and drama programs.

**Community** – The library and fields will be available for community use.
