

Lynnwood High School

2003-04 Parking Permit Application

All cars parked on campus during school hours are required to have a valid LHS parking permit. **Permits must be clearly visible from the front window of the vehicle.** Permits are sold on a first come-first serve basis. All previous parking fines must be paid in full before being issued a new permit.

COST: Parking permits are \$20.00 with an ASB card and \$30.00 without an ASB card for the 2003-2004 school year. Replacements for lost or stolen permits will be charged full price. Permits may be purchased from the Activities Office.

PARKING VIOLATIONS: Parking on campus is a privilege, not a right. As a permit holder you agree to operate your car in a safe and legal manner on campus. Any dangerous, careless or reckless driving will result in loss of parking privileges, suspension from school and/or police referral. **Cars that are illegally parked, parked without a visible permit, parked in staff parking, handicap parking or horticulture parking may be ticketed (\$10), wheel locked (\$50 removal fee) and/or towed at the owner's risk and expense. Continued violations will lead to loss of parking privileges.**

LICENSE/INSURANCE: All operators of vehicles are required to have a valid drivers license and proof of current insurance. **Please include a copy of your license and insurance card for each vehicle being registered.** In the event of a change in vehicles, it is your responsibility to notify the Activities Office of such change and supply proof of insurance.
