Graduation Guide
2009

A Graduation Guide for the Mountlake Terrace High School Senior

Congratulations Class of 2009

The following information regarding graduation activities and responsibilities has been prepared for your convenience. The final days of high school will be busy for you and will also provide you the opportunity to participate in many exciting activities. The graduation committee has been very busy planning for your graduation. Our wish for your final appearance as a MTHS student is that the occasion will be one you, your parents and friends may be proud of. Your cooperation in making this year's graduation ceremony a successful endeavor is appreciated.

Graduation Gala

The following is a list of suggestions for the care of your cap and gown prior to graduation as well as proper attire for commencement:

- *Place the gown on a hanger and allow it to hang. This permits wrinkles to straighten out and should eliminate the need for pressing.*
- *If necessary, press with a lukewarm iron. A hot iron will damage the fabric.*
- ***Tape, signs, flowers, lei's & other decorations are not permitted on cap and/or gown.***
- ***Men are required to wear long pants, shoes and socks under their gown. Slacks, chinos and dress shirts are appropriate. No jeans!***
- ***Women are required to wear dresses, skirts or dress pants and blouses.***
- ***Shorts, jeans, flip flops and tennis shoes will not be permitted.***

Students not adhering to the above guidelines for dress will be barred from participating in commencement exercises.
