SUBJECT: Resolution #06-36: Interdistrict Cooperative Agreement with Snohomish School District for special education services.

RECOMMENDATION:

Approve Resolution #06-36, authorizing the Superintendent to enter into an Interdistrict Cooperative Agreement with the Snohomish School District to provide special education services.

BACKGROUND:

This agreement was initially approved in the 2003-2004 school year with Snohomish School District providing special education services as the serving district for one student from the Edmonds School District. Both resident and serving districts have determined this to be the appropriate placement for the student. Edmonds School District will be responsible for paying for costs in excess of revenue received by the serving district.

RATIONALE:

RCW 28A.320 and RCW 39.34, the Interlocal Cooperative Act, permit the District to establish interlocal cooperative agreements with other districts. This agreement provides the framework for special education services.
