

Terrace Park Elementary School

Mission Statement of School and District

The Edmonds School District engages students, staff, families, partners and the broader community in the district's Strategic Direction. Together, along with every school, results have been identified that we want for our students. The continual improvement of our schools is essential in providing increased student performance and quality results. Innovative, exemplary, and research-based programs, coupled with professional development, focused and aligned resources, and community participation in decision making and planning are essential elements in improving schools. For more detailed information, please visit our school's improvement plan or give us a call at your convenience.

About Us

At Terrace Park Elementary, we are a community of diverse learners focused on each student reaching their potential. Our school houses a unique combination of school programs, including surrounding neighborhood students in kindergarten through sixth-grade and the Edmonds School District's Highly Capable Program for students in first grade through sixth grade.

We believe that all students are capable of achieving high academic expectations, becoming caring individuals, and growing into productive, powerful thinkers and communicators. The Terrace Park Community believes that all students can be socially and emotionally aware citizens, critical and reflective thinkers, and mindful communicators while achieving their highest academic potential.

Academic Accomplishments and Goals Strategic Direction Focus Areas

For the 2018-19 school year, the Terrace Park community including our Challenge community, will refine our conceptual understanding of culturally responsive practices, trauma-informed instruction and ELA practices. We will gain a deeper understanding of the needs of our students and provide them with both emotional and academic supports. We believe if we have a growth mindset and provide cognitively engaging and rigorous instruction for all students then our students will be ready to learn and will achieve at high academic levels in English Language Arts. For more detailed information, please visit our school's improvement plan or give us a call at your convenience.

How You Can Help

We believe family involvement is key in the education of our students. We have a strong community at Terrace Park and our school receives great support from our Parent Teacher Association (PTA) and Challenge Parent Association (CPA). Their support enriches our educational opportunities by funding assemblies, after-school programs, books, supplies, art materials, field trips and playground equipment. Parents play an important part in all that we do, making Terrace Park a great community of learners. We welcome you to become involved in our school by becoming a volunteer. Please contact the school office if you are interested, we would welcome your help!

State Assessments

Washington students are tested annually by the state to assess their progress as they move through school. In grades 3-8 students take tests in English language arts, math and science. Please see [our School Report Card](#).

Financial Resources

Annually, we produce a Citizens Guide to the District's Budget. One of our highest priorities is being excellent stewards of our community's resources. Each year, we involve staff, students, families and community members in helping us to set budget priorities. For more information on school funding, we encourage you to refer to the [2017-18 Citizens Guide to the Budget](#).

The state provides \$8,662 per pupil to our District

About Our Building

Opened: 2002

Square footage: 71,664

We are proud that our school facility is used extensively by our community for meetings, events and youth activities.
