

Beverly Elementary School

About Us

Beverly Elementary School exists to meet the academic and social-emotional needs of our students and families by continuously improving our instruction, intervention and interactions. When you visit Beverly Elementary School you will find a community where students are safe, have fun, work hard at their own learning, and practice the Beverly Be's: Be Respectful, Be Responsible, Be Safe and Be a Learner.

Mission Statement of School and District

The Edmonds School District engages students, staff, families, partners and the broader community in the district's Strategic Direction. Together, along with every school, results have been identified that we want for our students. The continual improvement of our schools is essential in providing increased student performance and quality results. Innovative, exemplary, and research-based programs, coupled with professional development, focused and aligned resources, and community participation in decision making and planning are essential elements in improving schools. For more detailed information, please visit our school's improvement plan or give us a call at your convenience.

State Assessments

Washington students are tested annually by the state to assess their progress as they move through school. In grades 3-8 students take tests in English language arts, math and science. Please see [our School Report Card](#).

Academic Accomplishments and Goals – Focus Areas

At Beverly Elementary our staff will strive to improve our practices around supporting all students to become fluent readers by:

- Understanding the process, stages, and domains of language acquisition
- Knowing how to identify students in the classes who are English learners and know which level each student is at both overall and in each domain of language acquisition
- Regularly assessing our English learners' reading skills using reliable measures

Continued on Page 3

Continued from Page 2

- Having a better understanding of our English learners' abilities and needs as readers using the achievement level descriptors.
- Using the assessment data and the achievement level descriptors to differentiate instruction
- Using specific strategies to support and engage English learners in higher level thinking and discourse during literacy

How You Can Help

We welcome you to become involved in our school by becoming a volunteer. We have individual students who would benefit from one-on-one tutoring in basic skills, as well a wide variety of other ways you can assist us and our students. Please contact the school office if you are interested!

Financial Resources

Annually, we produce a Citizens Guide to the District's Budget. One of our highest priorities is being excellent stewards of our community's resources. Each year, we involve staff, students, families and community members in helping us to set budget priorities. For more information on school funding, we encourage you to refer to the [2018-19 Citizens Guide to the Budget](#).
