

Maplewood K-8 Parent Cooperative School

About Us

It is the mission of the Parent Cooperative Education Program (PCEP) to provide the best education possible for our children, utilizing the many diverse skills of parents, teachers and children. We foster a family-oriented program where children, teachers and parents are equal participants in an enriched environment that nurtures a lifelong love of learning and respects the uniqueness of each individual.

Parents play an active role in the education of their students and their students' classmates through our parent cooperative program, which includes required volunteer time. As a choice program in our school district, enrollment is conducted through a lottery process held each year. Families interested in our unique parent and staff partnership can learn about school tours and more by visiting our website.

Mission Statement of School and District

The Edmonds School District engages students, staff, families, partners and the broader community in the district's Strategic Direction. Together, along with every school, results have been identified that we want for our students. The continual improvement of our schools is essential in providing increased student performance and quality results. Innovative, exemplary, and research-based programs, coupled with professional development, focused and aligned resources, and community participation in decision making and planning are essential elements in improving schools. For more detailed information, please visit our school's improvement plan or give us a call at your convenience.

Academic Accomplishments and Goals – Focus Areas

Staff at Maplewood Parent Cooperative have worked hard studying culturally responsive teaching practices to remove systemic barriers in order to further improve relationships with students and families. We understand and are working collaboratively with our family leaders to find a balance in making the program more accessible for interested families while supporting the cooperative foundation of the program.

We believe that improving relationships with students when implementing guaranteed and

viable curriculum with academic mindset, engagement and rigor will improve students' abilities to make progress in citing evidence using alternative and augmentative communication, verbal responses and in writing to support opinions and/or ideas (research/inquiry target 4). Students will show improvement in their abilities to draw evidence from literary or informational texts to support analysis, reflection and research (College & Career Readiness Standard for Writing: Research to Build and Present Knowledge 9, pg. 18) as measured by universal formative and summative assessments.

For more detailed information, please visit our school's improvement plan or give us a call at 425-431-7515 at your convenience.

How You Can Help

All parents at Maplewood are highly involved in their child's education and the school community. For additional information please visit our website or call our school office.

Financial Resources

Annually, we produce a Citizens Guide to the District's Budget. One of our highest priorities is being excellent stewards of our community's resources. Each year, we involve staff, students,

families and community members in helping us to set budget priorities. For more information on school funding, we encourage you to refer to the [2018-19 Citizens Guide to the Budget](#).
