

Martha Lake Elementary School

About Us

At Martha Lake we strive to create a warm and welcoming environment that enables all our students opportunities to participate in challenging, authentic, and collaborative inquiry by providing engaging learning experiences reflective of culturally responsive teaching.

Mission Statement of School and District

The Edmonds School District engages students, staff, families, partners and the broader community in the district's Strategic Direction. Together, along with every school, results have been identified that we want for our students. The continual improvement of our schools is essential in providing increased student performance and quality results. Innovative, exemplary, and research-based programs, coupled with professional development, focused and aligned resources, and community participation in decision making and planning are essential elements in improving schools. For more detailed information, please visit our school's improvement plan or give us a call at your convenience.

State Assessments

Washington students are tested annually by the state to assess their progress as they move through school. In grades 3-8 students take tests in English language arts, math and science. Please see [our School Report Card](#).

Academic Accomplishments and Goals – Focus Areas

In 2020-21 we will focus on learning and implementing best practices to support our students who qualify for English Language (EL), intentionally coordinating services students receive, and developing our skills to promote a positive social emotional environment for our students. As a result, students and families who receive EL will feel more connected to school, students will receive scaffolding that allow them to engage in the general education curriculum, and measurable growth will be achieved in core content for students who qualify for EL services.

How You Can Help

We have a strong volunteer base and a national father involvement program called Watch D.O.G.s to provide positive male role models for Martha Lake students. We welcome you to become involved in our school by becoming a volunteer. We have individual students who would benefit from one-to-one tutoring in basic skills as well as a wide variety of additional volunteer opportunities. Please contact the school office if you are interested, we would welcome your involvement!

Financial Resources

Annually, we produce a Citizens Guide to the District's Budget. One of our highest priorities is being excellent stewards of our community's resources.

Each year, we involve staff, students, families and community members in helping us to set budget priorities. For more information on school funding, we encourage you to refer to the [2019-20 Citizens Guide to the Budget](#).
