

Terrace Park Elementary & Challenge Elementary

About Us

At Terrace Park Elementary, we are a community of diverse learners focused on each student reaching their potential. Our school houses a unique combination of school programs, including surrounding neighborhood students in kindergarten through sixth-grade and the Edmonds School District's Highly Capable Program in Challenge Elementary for students in first grade through sixth grade.

We believe that all students are capable of achieving high academic expectations, becoming caring individuals, and growing into productive, powerful thinkers and communicators. The Terrace Park Community believes that all students can be socially and emotionally aware citizens, critical and reflective thinkers, and mindful communicators while achieving their highest academic potential.

is to increase student engagement, strengthen reading comprehension skills, and work to close the opportunity gap for identified students. As a staff team, we plan to learn about and apply targeted reading strategies, trauma informed practices, and culturally responsive teaching strategies resulting in students meeting standard in core content instruction.

How You Can Help

We believe family involvement is key in the education of our students. We have a strong community at Terrace Park and our school receives great support from our Parent Teacher Association (PTA) and Challenge Parent Association (CPA). Their support enriches our educational opportunities by funding assemblies, after-school programs, books, supplies, art materials, field trips and playground equipment. Parents play an important part in all that we do, making Terrace Park a great community of learners. We welcome you to become involved in our school by becoming a volunteer. Please contact the school office if you are interested, we would welcome your help!
