**School Name:** Oak Heights Elementary

**Year:** 2016-17

**School Theory of Action/Target Area**

If the **administration** teaches, models, and provides time for meaningful cycles of inquiry around student writing, **then teachers** will collaborate, *with a focus on ELL students*, to analyze work, create plans of instruction based on that analysis, instruct, and assess the writing, **then students** will write effectively meeting grade level standards in ELA Writing.

**Whole School Achievement Goal- As a result of this action:**

Compared to 57% of tested students meeting standard on the ELA portion of SBA in Spring of 2016, then 61% of tested students in Spring of 2017 will meet standard on the ELA portion of SBA

**Achievement Gap:**

- **Measurement/Assessment:** SBA ELA Grades 3-6

**Specific Strategic Direction Indicators of Focus:**

**Academic Achievement:**

**% of students meeting or exceeding grade level standards in English Language Arts (Smarter Balanced Assessments).**

**School Vision/Mission:**

School Mission: The Oak Heights staff will promote learning experiences, which will provide students with a foundation for the development of knowledge, skills, and attitudes fundamental to achieving individual success. Students will become responsible, contributing citizens in a rapidly changing and increasingly interdependent world.

**School Demographics:**

**616 Students (October 2016), 40% Free & Reduced Lunch, 22% ELL**

**Parent, Family, and Community Involvement in this Plan:**

**The plan will be shared and reviewed by parent stakeholders, Fall 2016.**

**Review and Analysis of Data:**

*Check all data reviewed and analyzed that determined your Strategic Direction focus area(s) and your school target.*

**Summary of strengths or greatest progress based on the data:**

- Staff members grew considerably during the 15-16 school year in their ability to plan and teacher the Units of Study in a Writer’s Workshop model. They continue to need support with the assessment tools and applying those tools to student work.
- All students have grown in their written language skills in the past year, but additional work is necessary for all students to reach the grade level expectations.
- Students enrolled in the ELL program score considerable lower than their non-ELL peers on the ELA [portion of the SBA and in classroom assessments.
