Edmonds School District Chromebook Damage/Loss Program

The educational program at your student's school includes a Chromebook that will be issued to your student for their use at school and home. Like textbooks, team uniforms and other school property issued to your student, there is a responsibility to take appropriate care of these valuable resources. The Chromebook is no different, but it does represent an increased cost to the District and liability to students and parents. We know accidents and loss happen. District policies, regulations and practices require a fine to be levied to cover the repair or replacement cost of District property. With computing devices, like Chromebooks, the cost of the damage or loss can be significant.

The total replacement cost for a Chromebook is \$305.00. Component costs are as follows:

- Screen \$ 70.00 - \$175.00 depending on model of assigned Chromebook
- Keyboard/Touchpad \$125.00
- Power cord \$ 25.00
- Hinges \$ 45.00

The District has developed the Chromebook Damage/Loss Program as a way for families to reduce the financial risk if a Chromebook is accidentally damaged, vandalized or lost. Participation in this program is completely VOLUNTARY.

COVERAGE AND BENEFIT: This program covers the Chromebook loaned to your student against accidental damage, vandalism or loss for the year. This program does NOT cover intentional misuse, abuse or neglect. If the student did not exercise proper care and/or take appropriate precautions, as described in the student handbook, and this behavior resulted in damage to, or loss, the cost of repair or replacement will be the responsibility of the student/parent.

If the Chromebook is accidentally damage, vandalized or lost, it will be repaired on the following deductible schedule:

- 1st Incident \$ 0.00
- 2nd Incident \$25.00 (\$10 Free/Reduced)
- 3rd Incident Full cost of repair or replacement

THEFT: If the Chromebook is stolen, the District will require a police report be submitted. Fraudulent reporting of theft will be turned over to the police for investigation. A student making a false report will also be subject to disciplinary action.
