

Job-Sharing Staff Members

A job-sharing assignment is the shared performance of the duties of one full-time, regular position by two (2) employees.

The superintendent/designee is responsible for determining when the best interests of students and the district would be served by creating a job-sharing assignment for a particular position.

Job-sharing assignments for certificated non-supervisory staff will be implemented under the terms of the collective bargaining agreement between the District and the Edmonds Education Association.
