

Administrative Internships

The Edmonds School District will cooperate with colleges and universities in providing appropriate internship experiences. Other internship opportunities within the district may be approved by the superintendent. Internships for those who are in the process of acquiring administrative credentials will be approved on an individual basis. Specific factors to be used in considering an individual for an internship position will include but not be limited to academic record, teaching ability, leadership qualities, communication skills, and dedication to past and present assignments.

If recommended, the superintendent/designee will be responsible for scheduling any necessary release time, arranging for constructive supervision of the internship experience, and identifying a variety of experiences which will meet the needs of the intern.
