If any provision of this contract or any provision of any document incorporated by reference shall be held invalid, such invalidity shall not affect the other provisions of this contract that can be given effect without the invalid provision, if such remainder conforms to the requirements of applicable law and the fundamental purpose of this contract, and to this end the provisions of this contract are declared to be severable.

33. Subcontracting

Neither the contractor nor any Subcontractor shall enter into subcontracts for any of the work contemplated under this contract without obtaining prior written approval of the District. This clause does not include contracts of employment between the contractor and personnel assigned to work under this contract.

34. Termination for Convenience

Except as otherwise provided in this contract, the contracting officer may, by ten (10) days written notice, beginning on the second day after the mailing, terminate this contract in whole or in part.
