

International Exchange Student Information

The Edmonds School District accepts Non-Immigrant International J-1, Exchange Students of foreign nationality visiting this country for a specified period of time (limited to one year) as part of a student exchange program offered by an approved sponsoring agency.

Our District recognizes the benefits that are derived from the placement of students from throughout the world into our schools. These benefits accrue for the students, the hosting families and the school population as a whole.

The procedures and guidelines (available on our District website) are set forth in the corresponding board [policy 8140](#), and [procedure 8140-R1](#). Student Support & Outreach is responsible for the admission and placement of International Exchange students into our District's schools.

Please contact John Grace at 425-431-7142 for further information.
