

# Fall After School Activities

At Soundview, we offer after school activities throughout the year. All classes are open to the public. Students gain valuable experiences, develop skills, and discover new passions by participating in activities led by experts. Each trimester, we offer a new assortment of classes for students from preschool through eighth grade. Registration is available on a first-come, first-served basis. For fall activities, the registration deadline is September 5th. Full class descriptions and online registration are available at [www.soundview.org](http://www.soundview.org). For more information, please contact the Director of Auxiliary Programs, Molly Bozarth at [mbozarth@soundview.org](mailto:mbozarth@soundview.org).
