

# Coins For Kids

## Parent Information

**Coins for Kids** is an annual fundraising event to support the Clothes For Kids program, which provides a unique opportunity for local students to get involved in their community.

**Clothes For Kids** is a nonprofit corporation serving low-income students in Snohomish County and the Northshore District by providing a complete wardrobe of quality school clothing to each child at no cost to the family. The Coins For Kids event will allow us to continue to provide eligible students with quality clothing, build their self esteem, and encourage them to go to school to complete their education.

All schools are encouraged to support this event as a community service effort. Youth service organizations can develop a community service project around Coins for Kids as well. Support "for kids by kids" will have a positive impact in the local community.

**Chick-fil-A of Lynnwood** has generously agreed to match the funds raised at Cedar Valley Community School. Our community partners are AMAZING!

### HOW YOU CAN HELP:

Encourage your kids to:

- *Empty coat pockets*
- *Look under car seats, sofa cushions*
- *Do household chores for spare change*

All monies will be collected at your child's school in April, May & June. Checks made out to Clothes For Kids are also gladly accepted!
