## Randy Terlicker

### Memorial Aquatics & Life Safety Scholarship

#### **Now Accepting Applications for the Randy Terlicker Memorial Aquatic & Life Safety Scholarship.**

The Randy Terlicker Memorial Scholarship is a financial assistance program funded by private donations.

Applicants for this scholarship must be:

- Between the ages of 15 - 20 years old
- Live within the Edmonds School District boundary
- Have a qualified income level or be a recipient of the Free Lunch Program through the Edmonds School District.
- Meet the swimming qualification for lifeguard training

Participants who qualify will receive a 100% discount on registration fees for lifeguard training at the Lynnwood Recreation Center. A \$35 certificate fee is due to American Red Cross to access online materials. To apply, complete the application form and submit it with a letter of interest describing why you are applying for this scholarship and how - if you are awarded a scholarship - you will fulfill Randy's legacy.

#### **About the Randy Terlicker Scholarship**

The Randy Terlicker Memorial Aquatics and Life Safety Scholarship program was established by the City of Lynnwood in 1995. The scholarship is awarded to those desiring to improve themselves and their community through education and training in aquatics, life safety, and related areas of study.

Randy Terlicker was the Lynnwood Aquatics Supervisor from 1988 to 1990. In 1990, he became a Seattle Firefighter while continuing to teach Water Safety Instructor, CPR, and First Aid classes at the Recreation Center. Randy lost his life in the line-of-duty as a firefighter on January 5, 1995. This scholarship was established to commemorate Randy's dedication to safety and his high standards of excellence.
