Y School Age Care Is In Your Neighborhood

Before or after school, you can trust the Y to provide an engaging experience for your child. Y School Age Programs give your child the opportunity to get to know some of their classmates better as they engage in active play and collaborate on fun projects. In the process, they'll continue to develop the physical, educational, emotional and social skills that are essential for success.

The Y Helps Your Child Make Healthy Choices

Through CATCH, a nationally tested and recognized PE curriculum, we provide fun, hands-on nutrition education as well as 30 or more minutes of physical activity each day. Kids develop the knowledge and skills to make healthy food choices while learning the value of staying active.
