CTA are trained volunteers and provide clothing, textile and needle arts education to the public.

Class Descriptions

Introduction to Sewing (Prerequisite – age 8 to 17)

This class will provide an introduction to the world of sewing. We will introduce the following basics:

**sewing and machine terminology * notions * hand sewing * sewing with a machine*

Simple, fun projects throughout the week will pique the student's interest and enthusiasm for sewing. Students will work on projects that build skills in using and controlling the sewing machine. Stitches include a straight seam, back stitch and zigzag. Projects will include a pillowcase, a 4-patch pillow cover, and a tote bag.

Basic 1 (Prerequisite – Introduction to Sewing)

The student will learn to read patterns and to begin making garments. The emphasis in the class includes the following skills:

** pattern reading * pattern cutting * marking * elastic waistband * seam finishes * hemming.*

The projects to build these skills include a lunch bag, pajama bottoms, and an apron.

Basic 2 (Prerequisite – Introduction to Sewing & Basic 1)

The students will make a shirt from woven fabric that includes sleeves, a collar, a pocket, buttons, and buttonholes.

This class will encourage students to work on their project independently with mentors available for advice.

Basic Knitting (Prerequisite – age 8 to 17)

The students will be introduced to the tools used when knitting, yarn selection, reading patterns, and the basic knit stitch.

Projects will include spool knitting, fingerless gloves and a felted project.

Advanced Knitting (Prerequisite – Basic Knitting or proficiency with the basic knit stitch)

The students will be introduced to the purl stitch, decrease stitches and circular needles. Project for circular needles is a felted bowl or the second choice is a hat which features purl stitches and decrease stitches (it is stitched flat and then seamed to create hat shape.)

Basic Crochet (Prerequisite – age 8 to 17)

The fundamentals of the "portable" craft will be introduced. The students will learn basic crochet stitches, working in rows and rounds, and finishing while completing the following projects: **a beaded bracelet *a neck scarf *a water bottle carrier*

Advanced registration is required, \$35.00 per class (non-refundable). Payment is due at time of registration.
Deadline for registration is May 31, 2015. For more information visit us at campstitchalot.blogspot.com
