Cabaret continues ECA's Film Cabaret Series – Thursday night screenings of classic, contemporary and cult films, whose stunning cinematography and iconic music were made to be experienced on the big screen. Originally a 1966 Broadway musical, this groundbreaking film starring Liza Minnelli uses the decadent and vulgar cabaret as a mirror image of German society sliding toward the Nazis. *Cabaret's* intertwining of entertainment with social history marked a new step forward for the movie musical.

Miss Rose & Her Rhythm Percolators will provide live entertainment starting at 6:30 pm on the ECA stage, performing vintage jazz from the 1920s and early 1930s.

Tickets available at www.ec4arts.org or 425.275.9595.
