

Let's Raise Money for Chase Lake Community School's Safety Net Program By Giving Up Stuff We Really Don't Need Anymore

Seattle Goodwill normally does not pay for donations, but they have a special program only for schools. This donation/fundraising event will support The Chase Lake Safety Net Program that helps Chase Lake families in distress.

You can bring most everything to the donation drive, provided it is not bigger than an end table. If we can fill up 2-28' trucks, Goodwill will donate \$1200.00 to the Safety Net Program!

So, clean up your basements, organize your garages, and straighten your closets. It's time to bring your treasures to the donation drive at:

Edmonds Lutheran Church

23525 84th Avenue West

Edmonds, WA 98026

Sunday, Oct 14th - 1:00 pm-4:00 pm

Want to help volunteer for this as well? Come give an hour of your time helping sort items and load the trucks
