

I'M FINALLY AWAKE

Sno-Isle Libraries Recognizes Local Teen Authors

Celebrate local teen authors! For the past few years, teens in the Scriber Lake High School Writing Program have published books at the end of the school year containing stories about their lives. Come celebrate their achievements and the addition of their latest book, "I'm Finally Awake: Young Authors Untangling Old Nightmares," to our library's collection. Enjoy refreshments, meet the authors, and listen to selections from the books.

Scriber Lake Writing Program led by teachers Marjie Bowker and David Zwaschka.
