

The North Queens Drill Team wants you!

The North Queens Drill Team formed in 1959 is looking for some new members ages 8-20. If you would like to march in parades, make new friends, and have fun, then we are the group for you! The North Queens are a precision marching and flag team. We participate in all Seafair parades including Torchlight and travel to Oregon and California. Our monthly dues are \$10.00; we practice at Mountlake Terrace High School. It's fun and inexpensive! So come and make some new friends! Better yet, bring a friend with you. A parent must be present at the orientation, which lasts approximately 20 minutes.

The Edmonds School District does not sponsor or endorse the activity and/or information contained in this material.
