## SUMMER ISN'T OVER!

Due to the later start of camps in Edmonds, we are going to add ONE MORE WEEK of camp to our schedule. We have opened up golf and tennis camps that will run from August 31-September 4 at Seaview Park in Edmonds. Cost for each camp will be \$199, and the full-day camp will cost \$349. We will supervise the lunch hour for any kids that sign up for the full day. We appreciate your patience in this crazy time.

*[Click here](#)* to register today.

We are also trying to work on a plan for some fall programming. If you have a few minutes, please fill out the survey that we sent out last week in a separate email. We are anxious to serve our customers and need to know what kind of programs you are looking for!

## SAFETY FIRST

To keep your kids healthy & safe at camp we have:

- *Minimized equipment sharing*
- *Limited attendance per camp*
- *Created smaller groups for individualized play*
- *A private hand washing station for campers*
- *Camp activities separated from the general public*
- *Daily disinfecting of shared items*
