# SUMMER YOUTH CAMPS

Edmonds Community College

## **MINECRAFT DESIGNERS!** - [www.blackrocket.com](http://www.blackrocket.com)

If you love the game Minecraft, but always wanted to design your own characters and buildings for your games this class is for you! Learn the basics of creating 3D models using a new software to design your very own objects, create skins for characters, and import them into your favorite Minecraft games. To access their project at home, students must own a PC/MAC version of Minecraft. Tablet, phone, and game console version of Minecraft are not compatible. Parent email address is required to use 3D modeling software. Students will work in teams for most of the program.
