**Sing in the Summer Level 1:** is specially designed for our campers going into Kindergarten through Second grade in the fall. This group will have fun with "Our Wonderful Imagination"! Our instructor, Gillian Malacari will introduce a small craft project and lots of movement activities, using instruments and song! They will learn group dances, sing songs of imagination and play lots of musical games.

**Sing in the Summer Level 2:** is designed for our older campers. Each day the participants take part in group choral work, individualized vocal coaching, and choose one of our two electives:

"Singing for the Stage" – Sonia Perez will offer a workshop that allows participants to experience staging, choreography and sing scenes from both opera and musical theatre!

"Soulful Sounds-A Gospel Music Experience" – Crystal Morris will invite participants to learn and perform the exciting and soul stirring music of gospel genre.

We will finish our week with a special performance that features all campers.
