In addition to providing the best possible cardiovascular workout, these sports offer kids the opportunity to learn unique individual skills in a team environment. Child to Coach ratio 8:1

Camp Mission Statement

Rush Baseball is part of Pacific Premier FC, a non-profit Youth Sports organization under IRS Code 501(c)3. Our organization, as well as our coaching staff, is dedicated to providing quality sports programs for community youth. Kids are the number one priority in this camp. The coaching staff will provide a safe, positive learning environment. The emphasis will be on kids increasing their personal fitness levels and motor skills. They will be learning lifelong lessons in sportsmanship and teamwork through a variety of engaging, exciting sports and cooperative games.

The kids are the ultimate Winner!!

WHAT TO BRING:

Please wear suntan lotion and bring plenty of water. Bring a snack and wear appropriate clothes for activities and weather. Don't forget to bring that positive attitude and be ready to have FUN!!

CAMP DIRECTORS: Dan Somoza & Scott Boyce

Coaching Philosophy:

- Constantly reinforce positive affirmations towards kids.
- Stress participation over competition.
- Focus on working towards a goal as a team.
- Be positive role models of sportsmanship and fair play.
- Be able to adapt to every kids needs in a positive manner.
- Interact with kids in an exciting manner.

Dan currently teaches elementary Physical Education at Martha Lake Elementary. After a successful collegiate athletic career, he coached baseball for 2 years with Bellevue Community College. Then he went on to Northwest Baseball Academy for 5 years. He is currently coaching a High School Select team for Rush Baseball. He received his Masters in Sports Management. Dan is also certified in CPR and First Aid.

Scott Boyce has taught Physical Education in the Edmonds School District for 16 years. He is a National Board Certified teacher and is certified in both first aid and CPR. Scott also coaches Boys Basketball at King's High School in Shoreline and has been coaching there for 16 years. Scott currently teaches Health and Fitness at Hazelwood Elementary and Brier Elementary School
