

Cub Scout Open House

First meeting featuring Reptiles
from the Monroe Reptile Zoo
plus **Games and Crafts** for all
family members

Seaview Pack 305

6:30 Wednesday September 25
Seaview Elementary School Gym

Are you or your son looking for ADVENTURE? Then you're reading the right flyer.

WHAT'S IN IT FOR THE BOYS?

Games, activities, camping, hiking, arts and crafts, leadership opportunities, service projects, field trips, and much, much more!!!

WHAT'S IN IT FOR THE PARENTS?

Opportunities to see your child grow and interact with other boys his age. Scouting helps you create the capacity for your son's accomplishments. It also gives the boy a sense of team work and belonging. Above all, SCOUTING IS FUN for parents and kids. We ask that each family take a role in helping out from something as simple as leading a game or setting up for the Pinewood Derby to pack leadership position.

TRIED AND PROVEN METHODS OF BUILDING CHARACTER, TRADITIONAL VALUES AND THE DEVELOPMENT OF LEADERSHIP SKILLS ARE WOVEN THROUGH FUN.

If you are interested in joining the ADVENTURES OF SCOUTING and have a boy in 1st through 5th grade, come out to Seaview Elementary September 25 below to find out how you can register your son! Cost is \$75/year with multiple kid family discounts and possible scholarships. Typically we have 2 meetings a month. One with the full group (Pack Meeting usually 3rd or 4th Wednesday of the Month) and one with the age group (Den Meeting).
