What is the Holiday Workshop About?

Whether you need to go Holiday Shopping without your kids or just get a little housework done without company, The Holiday Workshop is the perfect place for your child. There will be fun crafts, games and snacks, all hosted by the girls (and parents) of Girls Scout Cadette Troop 41002. Our Scouts are working on their Program Aid awards, which help girls learn to lead groups of kids. The workshops also serve as a troop money-earning activity. The workshop is open to kids in Pre-K through 5th grade. **Kids must be potty-trained to participate.**
