New Paraeducator FAQs

Will my position continue next school year?

The school district classifies its paraeducator assignments as *continuing* or *non-continuing*. The status of each position is listed on the job posting or it can be found in your new hire letter.

- Continuing:** Employees have reasonable assurance of continued employment. An employee's total work hours, designated beginning and ending times, and location may vary.
- Non-Continuing:** Employees are hired for a specific, limited term of employment (typically until the last day of school). Employees are still subject to the terms and conditions of the collective bargaining agreement. *Non-continuing assignments are created for several reasons, including contingent staffing, leave replacements, budget, grant funding, class size relief, enrollment fluctuations or special student needs.*

How is my placement (Level and Step) on the salary schedule determined?

Your salary placement is determined by your Position Classification (Level) and previous Years of Experience (Step) in another district. Refer to Section 9.3.1 of the collective bargaining agreement for further detail on seeking longevity credit.

Documentation of your prior school district work experience, from all Districts where you have worked in a comparable position must be submitted on a Verification of Professional Employment/Experience form. Forms can be obtained in the HR department.

When do I get paid?

Continuing Paraeducators are paid once a month on the last working day of each month, for a total of 12 times per year. Your salary for the year is annualized, meaning all your contracted time is added together for the entire year, and that total amount is divided by the 12 months in a calendar year. That is, your total annual compensation is paid over 12 equal installments and you are still paid the same amount during months when there are breaks, over the summer, etc. You will automatically be paid based on the schedule your supervisor assigns you, and you do not need to submit a timesheet for any of your regular hours worked.

Non-continuing Paraeducators are also paid in this manner, with the exception of July and August. July's paycheck will be double (2/12 of the annualized salary) and there will be no paycheck in August.

How do I view my paycheck?

Once your paycheck has been direct deposited, you can view and print it from Skyward. If you don't know your Skyward Login ID or Password contact the Help Desk at ext. 7333 or click on "Forgot Login/Password?" Upon login, click on the Employee Information tab in Employee Access. There you will find all of your payroll information including check history, W2, and W4 withholdings.
