

**Calling All ESD Educators!
Is there a gardening project in your curriculum???**

Garden Grants For Kids!!

**Super-Simple, One-Page, On-Line Application!
\$50 to \$100!!**

Edmonds in Bloom (EIB) is a non-profit organization that supports and participates in the beauty of gardens here in the Edmonds area. We have many projects that we sponsor every year such as the annual garden tour in July and other beautiful garden based projects.

Our **Garden Grants for Kids** program can provide **YOU** with **\$50 to \$100** to use for *garden related projects*. These grants can be used for buying tools, seeds, plants or anything else you may need for your classroom projects. We believe and support getting kids outdoors, in the dirt, to learn about how to plant, grow and appreciate gardening as an important part of their education.

We have developed a super-simple, one-page, on-line application, since we know your time is at a premium! Grant checks will be made payable directly to the applicant, on a first-come, first-serve basis. If you are interested in applying for one of our grants, please visit our website and fill out our online application at:
