Golden - XC, Swim, Tennis, BA, FP, Golf, Track, C & JV FB, C-BBB, C-GBB would all be affected with frequent ED's. Most of these sports would require athletes and coaches to be dismissed early for all contests home and away. Swim & golf practices would be affected as we get the pool at 2:45 and courses at 2:30. MS not effected

Nirvana - ED's for all swim & golf and most XC, TR and TE. MS not affected

NS - Minimal impact on HS sports, but impacts MS. All MS contests start at 3:45 and their buses leave at 2:40.

Flip - Highly Impactful, could have many opt out of playing sports and lose a significant number of our certificated coaches will not want to miss that much class time. Would not be able to offer swim or golf.

Flip/Shift - Similar affect on HS athletics as Golden proposal. Huge affect on MS sports. Would probaly have to remove ourselves from the Sno-King MS league.

Status Quo -
