

Fall Sports

Cross Country – Meets start at 3:45, one day a week on Thursday's. Anywhere from 25-55 kids on a team. **Fall 2016, each XC team got out of school once for an away meet. With proposal they would have to get out of school early for every meet.**

Football – not an issue, 1 or 2 away frosh games a year may start at 4:00pm, otherwise 5:00 or later.

Girls' Soccer – JV/V games are at 5:30/7:30. EWH & MDH have c-teams and away c-games start at 4:00pm (3-4 games). Games are on Mon/Wed. About 15-18 kids on a c-team.

Girls Swim – Most meets start at 2:30 & 2:45pm, including our home meets at 2:45pm. Swimmers already get out of school early for most away meets. Some meets start at 3:15 and 3:30. We have no control on the start time of swim meets as we are at the mercy of the swimming pool schedule. Meets are always on Tuesday and Thursday, so always miss their 6th period. Anywhere from 10-45 girls on a team. **Fall of 2016, we had 3 early release times total for all four schools. With proposal they would have to be released early for every meet and would only have access for practices for 1 hour each afternoon.**

Boys' Tennis – JV & V matches start at 3:30. Most of their buses leave between 2:00 & 2:30. Anywhere from 10-20 guys on each JV & V team. **Fall 2016, only 2 total early release dates for all four schools. With proposal, they would have to be released early for every away match and 15 minutes early for home matches.**

Volleyball – not an issue, C & JV play at 5:15 and V at 7:00.

Winter Sports

Basketball – some c-games start at 3:45, but the majority of them start at 5:30/5:40/7:15

Boys' Swim – Most start between 3:00 and 3:30pm, pretty similar to girls swim except our home boys' meets begin at 3:00 rather than 2:45pm. Meets are on Tues/Thurs. 10-25 guys on a team. **Will be similar to GSW above.**

Wrestling – Not an issue. Matches begin 5:45/7:00pm

Spring Sports

Baseball – All games, JV & V begin at 4:00pm. Most buses leave around 2:15-2:30. About 18 guys on each JV and V team. **Currently don't get out early unless they play at Oak Harbor. With proposal, they would have to be released early for all away games.**

Fastpitch – Most games begin at 4:00pm. Some varsity games at 6:00pm. Most buses leave around 2:15-2:30. JV & V travel together, so about 30 girls total. **Same as baseball.**

Golf – we are at the mercy of golf courses. We ask for 3:00pm starts, but some courses make us start at 2:30pm. Golfers are already getting out early for many matches. Affects about 5-7 kids per match. **Would have to be released early for every match, home and away as golf courses require us to start our**

matches between 2:30-3:00. Would also have limited time on courses for practices as courses like us off in the spring between 4:00 and 4:30 for paying patrons to play after work.

Boys' Soccer – Not an issue, games are either 5:00/7:00 or 5:30/7:30pm.

Girls' Tennis - JV & V matches start at 3:30. Most of their buses leave between 2:00 & 2:30. Anywhere from 15-25 girls on a JV or V team. Same as BTE in the fall. With proposal would have to get out early for every match.

Track & Field – Meets start at 3:30pm. Right now kids only get out early if they have a meet at ARL, STAN, MV and then they get out about 20-25 minutes early around 1:30ish. 85-110 kids on teams. Currently get out early once or twice a season. With proposal would have to get out early for every meet, which is a huge impact due to the large number of kids participating in track.

*In addition to the impact of students be released early, this will also have a financial impact because many of these teams, who have to be released early, are coached by teachers who will need a sub to get them out early. Most likely we'd have to use half-day subs. Of the teams that are impacted, here's how many coaches are district staff:

1. XC – MDL head & asst & MLT head & asst
2. GSW – LYN head girls coach
3. BTE – EW Head and Asst, Lyn Head,
4. BSW – MDL/LYN Asst
5. BA – EW head, MDL head & asst
6. FP – EW asst, LYN head & asst, MLT head
7. Golf – EW head boys and girls, LYN head girls, MDL head boys and girls, MLT head boys
8. GTE – EW head & asst, LYN head & asst
9. TR – EW head & 2 asst's, LYN 1 asst, MDL head and 3 asst's, MLT head & 3 asst's

That is almost 40 teachers. For sports like tennis, baseball and softball, where they have 2-3 matches a week, we'd have to try to give them planning at the end of the day, but that won't work for schools on block schedules as you cannot give them both 5th and 6th period off. I'm afraid we'd lose a handful of good coaches, as they are not going to want to miss that much class time. Track and XC have 1 meet a week, but has the most certificated teachers coaching.
