

FALL YOUTH VOLLEYBALL ACTIVITIES

NW Juniors Volleyball Club

UNDER ARMOUR FALL ACADEMY

Our **FALL ACADEMY** is for 4th - 8th graders and will improve volleyball movements, court awareness, speed and agility in a group training format. Improve your game and prepare for junior club tryouts while training with some of NW Juniors Elite coaching staff. Do your off-season training right with **NW Juniors!** In addition to regular training, athletes will be able to compete in tournament-style play against other Fall Academy teams.

The program runs September & October and is limited to just 60 total athletes in our Northend Location. We separate players into teams based on age and experience and offer them skill and team-related training. Two practices per week, a scrimmage, and two tournaments are included — all to give athletes a complete team experience. All players receive an Under Armour practice tee and a numbered jersey.

For more information and to register, visit our Fall Academy webpage <https://www.nwjuniors.org/fall-academy>
