CHALLENGE RACE 2018

This **FREE** event is designed for the whole family to enjoy.

Gravity car races allow kids with developmental disabilities (Co-Driver) the experience of a thrilling soap box derby-type race while riding in a car safely piloted by a typically developing peer (Driver). Two cars race down the course to the finish line. Each child has the opportunity to race multiple times during each event. Lunch is provided and an awards ceremony completes a day full of fun and memories.

Register Today!
