LEARN THE MARINERS WAY! – game fundamentals, the latest techniques, hustle, and class. Reach your potential and have a blast! Included is a separate clinic at **Safeco Field** in August – Wow!

CAMPERS range from beginners to “All-Stars.” We group based on age, ability/safety and social factors. Our primary goal is to ensure each has a positive experience and learns the game. We are experts in coaching the game and working with kids. Each camp has a dedicated coordinator on site.

PROFESSIONAL INSTRUCTION: Personalized and group coaching from professional educators and instructors. Position-specific training in all facets of the game; situational play, instruction, drills and games take camper’s game to the next level.

TOTAL PLAYER DEVELOPMENT: We focus on character development – called *double goal coaching*. Players who develop strong personal character perform better at the game and in life.

GAME CULTURE: Camp is deeply immersed in the culture of the game, which is so much more in addition to what’s on the field. LOVE the game!

CAMP OPTIONS: Two camp choices and many choose both with our camp bundle. See details below and on our web site www.marinerscamps.org

“He came home loving the game and now practices all the time.”
