

# Carnivorous TERRARIUMS

**SATURDAY  
OCT. 12 • 2 p.m.**

**Make your very own  
carnivorous terrarium!**

Mary Fosse from Carnivorous Terrariums Nursery will teach you how to create and care for a terrarium with a plant that eats bugs!

Each participant will take home a carnivorous terrarium that will amaze friends and family.

**Space is limited; preregistration is required.**

*For teens and tweens.*
