

Report Cards are now being posted to Family Access

Family Access allows guardians to view student information. Log in to Family Access via the Edmonds School District website. At the top of the ESD webpage you will see a link for Skyward Login. Click the

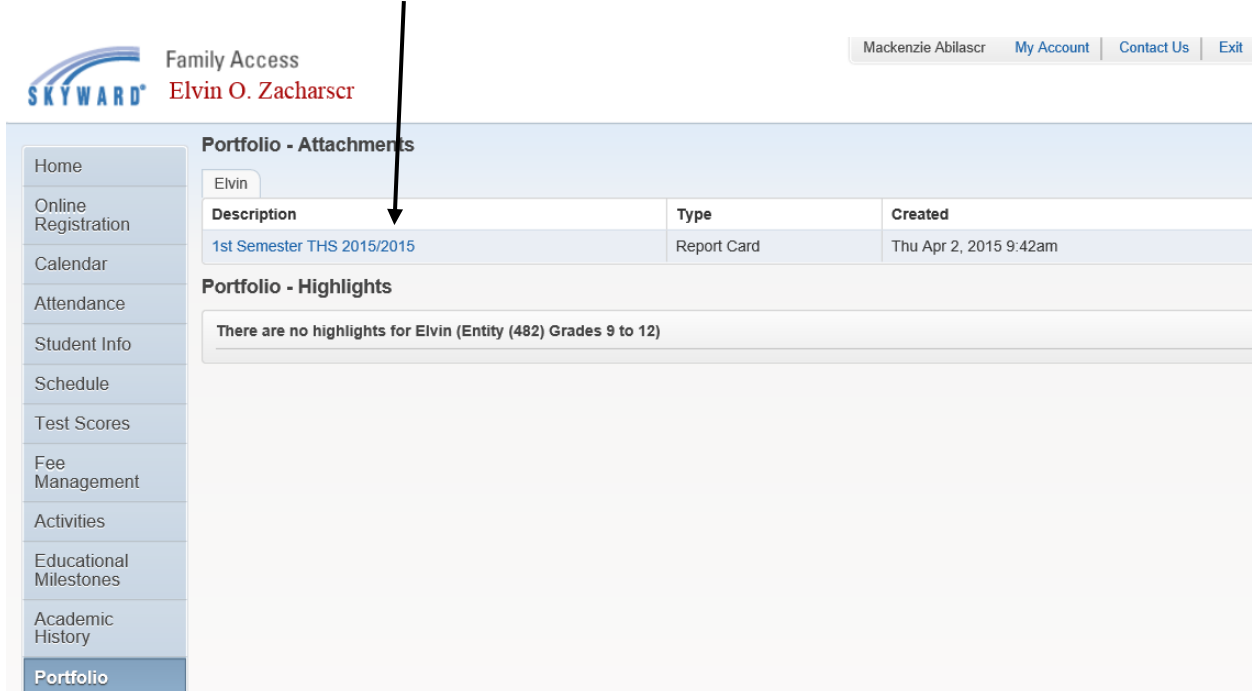

If you have a problem with your user name and/or password for Family Access contact the school that your child attends and the office staff can assist you.

Once logged in to Family Access

Select the Portfolio

Select the report card you want to open

The screenshot shows the Family Access interface for user Elvin O. Zacharscr. The left sidebar contains a menu with options: Home, Online Registration, Calendar, Attendance, Student Info, Schedule, Test Scores, Fee Management, Activities, Educational Milestones, Academic History, and Portfolio (highlighted). The main content area is titled 'Portfolio - Attachments' and shows a table with one entry: '1st Semester THS 2015/2015' (Type: Report Card, Created: Thu Apr 2, 2015 9:42am). Below this is a 'Portfolio - Highlights' section stating 'There are no highlights for Elvin (Entity (482) Grades 9 to 12)'. A black arrow points to the '1st Semester THS 2015/2015' entry in the table.

Description	Type	Created
1st Semester THS 2015/2015	Report Card	Thu Apr 2, 2015 9:42am

The report card will generate and once the document is open it can be sent to a printer.
